Reference for Alaa Al Kinani

To whom it may concern

Alaa has worked for IMC Kut since July 2004 up to the present as Security and Logistics Officer. As Programme Co-ordinator for Kut I was his line manager during August and September 2003.

During that time he demonstrated many times his complete reliability, honesty and commitment to his work. He was diligent and effective in the security he provided for the office and for myself.

He is hard working, highly intelligent, competent and committed to providing effective service for his community. Alaa is a very good team member with an excellent sense of humour. He is highly co-operative and is willing to work in difficult conditions.

Alaa is enthusiastic to learn new skills and is very flexible. His work is professional, prompt, organized and he is capable of taking a leadership role. I believe he would be an asset for any organization he works with and I have no hesitation in recommending him for appropriate employment. I wish him all the best in his future career.

If you have any further questions I can be contacted at emercranale@hotmail.com

Yours faithfully,

Emer Crangle

To whom it may concern:

It is my pleasure to recommend Alaa Al Kinani, who was employed with International Medical Corps as a Logistician and Security Officer from July 2003 to March 2004. In performance of his duties, Mr. Al Kinani was responsible for procuring needed supplies, coordinating the movement of convoys, and ensuring the security of both national and international staff.

Mr. Al Kinani was always enthusiastic and eager to provide any assistance. His dedication to his work, as well as his strong language skills, made him a valuable asset to the organization, and I believe any prospective employer would be well-served to hire him.
